

Caroline's tips: Made famous by a multitude of different singers performing over 300 different arrangements, Hallelujah can be considered spiritual, religious, up-lifting or melancholy depending on how it is performed and interpreted. Canadian, Leonard Cohen, who died in 2016, wrote the song in 1984 but did not experience initial success, however, as other artists began to cover it it became popular. In more recent years it featured in the movie Shrek and on various TV talent shows. Over 80 verses were written some with reference to biblical stories e.g Samson and Delilah and King David and Bathsheba.
