

Caroline's tips: This song was written by German pop/rock band Münchener Freiheit who became a '1-hit wonder' when this song reached no.14 in the UK singles charts in December 1988. Due to its rich orchestral sound & December release it receives a lot of airplay in the UK during the festive period & is often included on Christmas compilation albums. I have written a very simple & enjoyable version for us to allow each harmony section to enjoy the lovely melody. Enjoy the build-up of dynamics & texture as the song progresses... Cx
