

Caroline's tips: A fun up-beat 2016 chart dance hit by the American band 'Walk the Moon'. Inspired by the front-man's experience of dancing with his girlfriend at an LA nightclub, he realised he had to face his inhibitions and let go! Fun, freedom and a feel-good vibe for all of us.

Shut up and Dance with Me

Chorus 1 "Oh don't you dare look back just keep your eyes on me."
