

SPRING TERM PLAN 2020

Happy New Year!

NEW SONGS

We have 2 fantastic new songs to enjoy learning this term!

1. **Super Trouper** - Abba (pop)
2. **I'll Be There** - Jess Glynne (gospel)

We'll also have time this term to sing through lots of our repertoire from previous terms, so please have a look at this plan to see what songs we're singing each week!

- Songs carried over into this term are already on your **resources area** and the harmony parts for the new songs will be added throughout the term as we learn them.

- Have a look at what older songs we're singing each week so you can have a listen to your harmony part before the session, it'll really help!

- You may notice other songs on the website, but don't worry, we won't be carrying them all over - just those listed in this term plan!

SPRING TERM PLAN 2020

Please use the below as a guide for what we'll be singing each week.
If you are new, please don't worry about learning an entire back catalogue of songs. Simply focus on the new ones and maybe pick a few of the older ones if you have time. Listen to the parts on the resources website ahead of the session and you'll pick it up in no time!
