

Caroline's Tips: A huge iconic & legendary rock song regularly requested by you Rockies! Made famous in 1979 by rock band, 'Rainbow' & a top 10 UK hit, you might like to watch Brian May's version from his 1993 Back to the Light tour! Note the lyrics are "Since **YOU** been gone" and not "Since you've been gone!" I hope you particularly enjoy the stress-busting "urgh!" at the end of the bridge!! Cx
