RESOURCES THIS TERM

You will receive private links to your video tutorials via email every **FRIDAY**. This is so you can access the content **AHEAD** of the following week for your regular LIVE choir session on Zoom!

Please use this plan as a **guide** for what we'll be singing each week. I will email on the **Friday** before each week commences with links to the resources and details for your Zoom session. Older songs that aren't in red are already up on your song resources area. (Link is at the bottom of this page)

If you are **new**, please don't worry about learning an entire back catalogue of songs. Simply focus on the new ones and maybe pick a few of the older ones if you have time. By watching the video tutorials and listening to the harmony parts on the resources website I'm sure you'll pick them up in no time!
