

Caroline's tips: Written by and made famous in 1991 by the American rock band 'Extreme' this song's style can be described as 'acoustic rock'. The narrative suggests that saying the words "I love you" are sometimes meaningless and actions speak louder! Sung mainly in 2-part harmony similar to its original form I have created our own version of this simple love song ready for you to enjoy and relax with. It's a gentle sing but with intent! Cx

More than Words

Verse 1

Say-ing "I love you"
Is not the words I want to hear from you
It's not that I want you not to say,
but if you only knew
How ea-sy it would be to **show me how you feel**

More than words.... is all you have to do to make it real
Then you would-n-'t have to say that you love me..
'Cause I'd al-read-y know..

Chorus 1

(Sops/UAltos) What would you do (All) if my heart was torn in two?
More than words to show you feel
That your love for me is real..
(Sops/UAltos) What would you say (All) if I took those words away?
Then you couldn't make things new
just by saying "I love you".....

Bridge 1

(LAltos/Bass) La..... (Sops/UAltos) La di da.. (All) da da da... di da da da..
More than words....
(All) La di da.. da da da.....Ooh.....

Verse 2

(Sops/UAltos) Now that I've tried to (All) talk to you and make you un-der-stand
(Sops/UAltos) All you have to do is (All) close your eyes and just reach out your hands
and touch me
Hold me close don't **ever let me go!**

More than words.... is all I ever need-ed you to show
Then you would-n-'t have to say that you love me..
'Cause I'd al-read-y know..

Chorus 2

(Sops/UAltos) What would you do (All) if my heart was torn in two?
More than words to show you feel

(Sops/UAltos) What would you say (All) if I took those words away?
Then you couldn't make things new
Just by saying I love!
You.....
