Caroline's tips: A firm favourite of ours, we have performed this song for a number of years now but made the decision to improve the resources & give it a new burst of energy!

Recorded by John Farnham and released in 1986 it represents the feel-good power of 80s rock and is a particularly good stress-buster vocally! For those new to it I hope you love it & for those Rockies who have sung it before, watch out for the small changes - it's ever so slightly different! CX
