GREEN PARK AUTUMN TERM PLAN 2020

Please use the below as a guide for what we'll be singing each week.

I will email you on the Friday before the week commences with an update of your video resources and Zoom details. There will be video tutorials for the new Autumn Term songs along with shorter recap tutorials for songs from last term.

If you are new, please don't worry about learning an entire back catalogue of songs.

Simply focus on the new ones and maybe pick a few of the older ones if you have time. By watching the video tutorials and listening to the harmony parts on the resources website I'm sure you'll pick them up in no time!
