## Dates for your diary

We have performances again! Hurrah!  
Details will be emailed closer to the time, so save the dates for now!

### \*Thursday 2 Dec - Green Park's Winter Wonderland performance\*

Our first performance since December 2019!

I will be inviting my evening Rock Choir members as well so there should be a really good size choir and great sound for this outdoor performance at Lime Square.

Timings TBC but it's usually around lunchtime.

### \*Thursday 9 Dec - Green Park's Christmas Jumper Day performance\*

Again, timings TBC but around lunchtime and this will likely be inside the atrium where we will all wear our Christmas jumpers and sing our repertoire. I'll be inviting my evening choir members as well to boost numbers :)

## New to the choir?

If you are new, please don't worry about learning an entire back catalogue of songs.

Simply focus on the new ones and maybe pick a few of the older ones if you have time.

By watching video tutorials and listening to the harmony parts on the resources website (page 2!) I'm sure you'll pick them up in no time!

## VIDEO TUTORIALS | AVAILABLE ON FRIDAYS

Every Friday I will email you with the latest Rock Choir tutorial for our new songs. Please use the tutorials to learn your harmony part ahead of the following week's Zoom or physical session. **HOWEVER, if you find that you haven't got time to watch it, don't worry!** I will still sing through the parts in the session, it will just be at a faster pace along with singing through some older songs too! :)

This term will be a HYBRID term of online and physical sessions. I have indicated below which weeks will be in person at Green Park and which will be online. The day and time will always be Tues 1-2PM whether online or in person. We will be able to have a large room (exact room TBC) at Green Park with enough space to spread out and where possible and I will open windows to aid with ventilation - so please consider bringing a few extra layers just in case!

I really want everyone to feel comfortable as we ease back into physical sessions, so if you have any questions, please just email me [lucy@rockchoir.com](mailto:lucy@rockchoir.com). Also, if you do not wish to attend the in person session, please let me know and I can send you a recording of my National Online Rock Choir session from that week instead.

Please use the below as a guide for what we'll be singing each week. I will email you on the Friday before the week commences with an update of your video resources and any other info/updates.
